## PLAN DALY CITY PROGRAM

Daly City's Recreation committee met with the city council on Friday evening at the city hall to map out comprehensive plans for administering the WPA Recreation program here this coming year.

It was the first major meeting of the committee in several months. The group was called to order by Chairman James Ferguson, Jefferson Union high school principal.

Other civic leaders present included Mayor John J. Fahey, Councilmen Edmund Cavagnaro and Julius Twesten, A. J. Bodien, co-sponsor's agent; Mrs. Mazie Boyle, Mrs. Ann Eason, and Bruce H. Boynton, assistant county recreation supervisor.

Explaining the functioning of the local Recreation department, Boynton discussed various aspects of the relationships between the co-sponsore and the recreation units.

The fall and winter programs were studied in detail. Councilman Cavagnaro, chairman of the parks and playgrounds committee, reported progress now being made at the various parks.

The need for social dances for boys and girls of Daly City was stressed. Several proposed plans for these social evenings were considered, and it is hoped one of them may be put into effect soon.

General comment of the committee praised the Recreation department for its fine work here. Chairman Ferguson stated that in his opinion, the Daly City Recreation project was one of the finest of its kind in the entire State.

### Mayor Fahey To Attend Calif. League Convention

Mayor John J. Fahey will leave Daly City, Saturday, to attend the League of California Cities annual convention in San Diego, September 16-19.

Civic leaders from throughout the State will gather at the huge conclave. Various aspects in the administration of municipal affairs will be discussed by the hundreds of representatives who are expected to attend.

This year's conference will be devoted to practical suggestions

## D. C. Police Chief To Teach Classes

News was received here this week that Police Chief James G. Reardon of Daly City has qualified as an instructor of the Peninsula Peace Officers' Training school which opens soon in San Mateo.

Awarding of the teacher's certificate was the culmination of ten weeks' study which Chief Reardon completed last spring at a special police course in San Mateo. Chief Reardon was in San Mateo yesterday for a final lesson and to submit his outline and lesson plans.

The Peninsula Peace Officers' Training school will open for registration and classes next Tuesday. Police throughout the Peninsula will attend these special courses to receive expert training in the various duties of their offices.

Subjects assigned to Chief Reardon include phases of "Patrol and Observation," such as the handling of drunks, the handling of drunk drivers, problems relative to the insane, and how to deal with women offenders. Chief Reardon will begin his classes November

## San Francisco Mayor Invites Daly City Band To March In Mammouth Treasure Island Parade Sunday

San Francisco Day at the Exposition—the day on which all San Francisco will turn out to bid farewell to its lovely World's Fair on Treasure Island—is set for next Sunday, September 15.

Helping to celebrate one of the last "big days" on the Island, the Daly City band, by special invitation of Mayor Angelo Rossi, will march and play in the mammouth celebration.

Forty members will turn out for the gala event, according to Bandmaster George Brenner. Smartly dressed in dark unforms with gold braid, the band will march in the huge parade scheduled as the high-light of the afternoon.

Miss Bobbie Bruce, champion drum majorette, will twirl her baton in dizzy gyrations as she leads the local musicians, while Official Drum Major Tipton Banks will also come in for his share of applause.

Daly City's band has won a great deal of acclaim this summer at various events on the Peninsula.

Starting this month, the group will inaugurate a series of free municipal concerts. The first one is set for the evening of September 26 at Jefferson Union high school auditorium.

## Announce Jeff Band Personnel

Oscar Busch, instructor of music, announced today that the Jefferson Union High School band shows great promise this season.

Forty members, comprising the advanced band, and 15 beginners are hard at work to make this a memorable year for music at the high school.

Busch partially attributed the improvement in the high school band to the cooperation given by James M. Kessen, grammar school music teacher, at Bayshore school. Kessen has developed a large group of talented young musicians at Bayshore. From his band of last year, the following students are now members of the advanced high school band: Phil Barsetti, Jack Dyer, Arthur Knight, Kingston MaHaffie, Stanley Praul, Bill Redding, Fred Schmidt and May Smith.

"With such backing, the high school band can develop into an organization of which we can well be proud," concluded Busch.

Personnel of the advanced band includes:

Oboe: Thelma Tvedten.

Flute: Jack Dyer.

Clarinets: Eugene Carbone, Angelo Ditty, Salvatore D'Urso, Ed Girdler, Ralph Hollingsworth, Reva Kerran, Sam Van Lieu, Norman Wisemann, Lloyd Wrentch, Julia Yonan.

Saxophones: Elizabeth Blassman, Robert Jobson, Ray McMil-

### Well Baby Clinic Gives Free Service

Daly City's Well Baby clinic will be open to the public from 9 a. m. to 11 a. m. next Wednesday, September 18.

Mothers of small children are cordially invited to attend the clinic. No charge is made for its services. Scientific advice and aid in infant care is available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, which is located on the corner of San Jose avenue and Flournoy street. Visiting days are held on the first and third Wednesday mornings of each month.

## Lost: One Blond Little Adventurer

A blond-haired little boy went shopping all alone last week.

It would have been all right, but two-year-old Terry Martin, 6630-A Mission street, forgot to leave word where he was going and his family got worried. They phoned the police. They described the color of Terry's eyes, which were blue. They told of his white shoes and his pink sunsuit.

Meanwhile, excitement was brewing down at the Spring Valley Market, 198 Los Banos avenue. An unknown young man in a pink sunsuit had wandered in and was demanding his family. The grocery clerks grew worried. They phoned police. They described blue eyes and a pink sunsuit.

It was only when Police Lieutenant A. L. Hilton arrived at the scene of action that grocery clerks, pink sunsuits and parents got properly sorted out.

As for Terry, subdued and grateful, he has promised to leave word when he goes shopping again.

## Bank Open Saturday Mornings

Daly City Branch, Bank of America, is once more open for business on Saturday mornings.

For a trial period of June, July and August, the Daly City Bank, like others all over the country, has been closed on Saturday mornings, but this practice will now be discontinued, possibly until next summer vacation.

F. Erickson, manager of the local branch, said that in deciding upon Saturday openings again, banks on the Peninsula are following the example of all banks in San Francisco as well as elsewhere in the state.

"There have been virtually no protests in this district against the closing," Erickson declared, indicating that he believes the Saturday closing will some day be made a permanent policy of the banks but that this is not the proper time to put it into effect.

**Although you've been cooking for one or 30 years, there are probably hundreds of new cooking tricks and recipes you'd like to learn.**

**Opportunity to watch a talented home economist illustrate new ways of preparing your favorite foods will be afforded on the afternoons of October 22 and 23 at the Daly City theatre, when The Daly City Record presents its Fall Cooking School.**

**Every Daly City and Colma housewife, and her friends, is cordially invited to attend both sessions of the cooking school. Sociable and entertaining hours, as well as educational ones, are promised.**

## SO. END STREETS MEETING

### To Discuss Project Costs Friday Evening

All property owners in the South End Streets Improvement district were this week issued an urgent invitation to attend a mass meeting at the city hall on Friday evening.

Discussion of costs rising from the WPA streets project will be the main order of business. The meeting, called by a committee of five prominent citizens of the district, will convene at 8 p. m.

"Various developments have indicated that the total cost of the work and the expense to individual property owners would be greater than originally estimated," an open letter to the property owners stated. "While it is the feeling of the undersigned committee that these costs will not be excessive, nevertheless it is deemed advisable to present available facts to you at this time and to afford you the opportunity for suggestions and investigation.

"Accordingly the undersigned committee engaged the services of W. H. Davis as civil engineer to analyse the situation from the standpoint of ultimate cost.

"For the purpose of acquainting you with his findings and for a thorough discussion of the entire subject, a meeting of all property owners will be held at the council chamber in the city hall, on Friday, the 13th day of September, at the hour of 8 p. m.

"The city council, the contractor, the city engineer, the property owner's engineer and others will be present and you are urgently invited to attend."

The letter was signed by Joseph Sarto, Frank Garibaldi, A. J. Gaggero, P. Benassini and M. J. Soldavini.

## Girl Scouts Resume Meetings

Approximately 100 Girl Scouts resumed work here this week, as seven Daly City groups swung into action following the summer vacation.

Ranging in age from 7 to 14 years, the Scouts and Brownies were full of enthusiastic plans for the coming year.

Meanwhile the Daly City Girl Scout Committee, under the chairmanship of Mrs. Paul G. Selmi, completed plans for their first meeting of the term. Mrs. Selmi will call the group to order at 7:30 p. m. at the local WPA Recreation office, 101 Parkview avenue, Friday evening.

Important matters of policy for the coming winter are expected to be discussed, and all members are urged to be present.

Girl Scout and Brownie schedules in Daly City are as follows:

Brownies, under direction of Mrs. Frances Leach, 67 Miriam street—meet every Thursday, 2:45 p. m., Legion hall.

Brownie Scout Pack, under direction of Mrs. P. J. Becker, 824 Templeton—meets every Friday, 3 p. m., No. 5 firehouse.

Girl Scout Troop No. 1, under direction of Mrs. John C. Kinsey, 463 Irvington—meets every

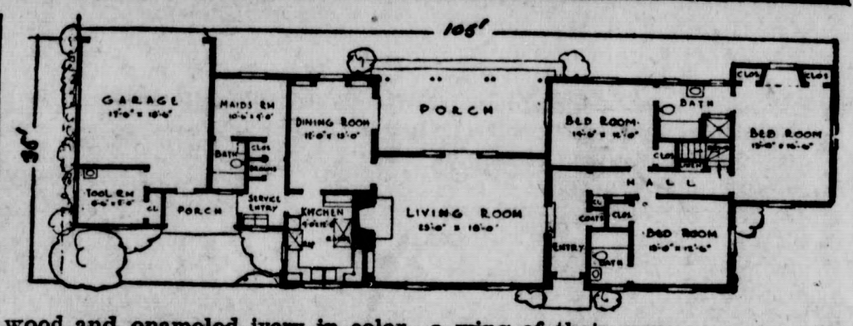
## A Small House With Three Bedrooms



California's adaption of the American Colonial low rambling house of spacious rooms and appointments suitable for a family of four, is this "House of the Month," designed by Architect H. Roy Kelley.

The walls of the central mass are built of large sized bricks, painted white, and are the size of the adobe bricks used by the early Spanish builders—4" x 17" face dimensions. The walls of the adjoining wings are covered with cement plaster and painted white.

The exterior trim and the windows are also painted white and the entrance door and the shutters are soft light-yellow in color. The steps, porch floor and walks are of red brick. The walls of the Living Room, the hall and all of the bed rooms are papered with colorful papers—some of which are semi-modernistic in design; others are old Colonial adaptations. The woodwork of all rooms is white-ivory in color.

The dining room is panelled in wood and enameled ivory in color. Fireplace end of the Living Room is treated in a similar manner. The walls of the bathrooms and kitchen are papered with washable paper, and these rooms have plain colored linoleum floors. All the other rooms have wide oak planking, in dark colors.

Out-of-the-ordinary features are: three baths, one with both tub and shower; two-car garage with adjoining tool room, and a room with bath for the maid, convenient to the kitchen. All rooms are cross-ventilated except the maid's room. [illegible] are set apart in a wing of their own.

To be well built, this house should include copper flashings, gutters and downspouts. Brass pipe or copper water tube, which are standard for plumbing should also be specified; these will not rust and will effectively withstand corrosion. Copper shields protect the house against the invasion of termites.

In order to cut as much red tape as possible and to help assure good construction this house is approved by the Federal Home Loan Bank Board for registration under the Federal Home Building Service Plan.

## P. G. and E. Day At Fair Saturday

One of the big days of the rush period of the final fortnight of the Golden Gate International Exposition is to be P. G. and E. Day, set for Saturday, September 14. Committees of employees in every division are busy promoting interest. Indications point to an even larger attendance of Company folks than on a similar occasion last year, when employees and their families flocking to Treasure Island numbered more than 15,000.

This year the public in general is invited to join with P. G. and E. in the celebration. By special arrangement with the Exposition management, tickets of admission regularly selling at 50 cents are to be obtained at all P. G. and E. offices at 25 cents, with no limit upon the number that may be bought.

## Fascinating Kitchens—

"Your kitchens fascinate me: I am impressed by your great redwood trees and the Grand Canyon of Colorado, and the loveliest of all American cities I have visited is San Francisco."

Such are a few of the impressions of Mrs. Haridas Gopaldas, a native of Bombay, India, when interviewed recently at Millbrae Golf and Country club.

A delightful picture in her native costume, Mrs. Gopaldas wore a striking saree of hand-woven raw silk. She was high in her praise of Mahatma Gandhi and said that he not only preached a doctrine but lived it.

## Jaysee Enrolls 1,507 Students

Four hundred and fifty-two coeds and 605 men students, a total of 1,057, completed their enrollment during the opening days of the Fall semester at San Mateo junior college. With class work well under way, the new semester is fully started, and athletic and social events are being planned by the Associated students.

The new term has seen a continued interest in the aeronautics course started during the Summer vacation. A number of the Junior college students wish to learn flying.

This week saw the start of the college adult center, the night section of the college that drew 2,200 adults last year. This term, more than 70 different courses are open to the general public.

# Wm. J. Sweeney Previews New 1941 Studebakers

"The new 1941 Studebakers will be the most popular cars ever built by Studebaker corporation," William J. Sweeney declared today. The local Studebaker distributor previewed the new models at a Palace hotel banquet, Monday. More than 500 dealers from Western states attended.

The huge group was addressed by C. K. Whittaker, president of the Pacific division, who predicted that business would boom in all lines of industry for at least the next three years. Paul G. Hoffman, Studebaker president, clarified the misconception that factories would stop making new cars when war orders came in. All war manufacturing will be in addition to the corporation's regular production of cars, Hoffman assured the group.

Sweeney will have the new "Champion" and the new "Commander" on display at his showrooms, 6806 Mission street, next week.

## Annual Policemen's Ball Set For Sept. 28

Police from Daly City to Sunnyvale are making final plans for one of the county's biggest social events, the Peninsula Police Officers association twelfth annual ball, which will be held at Bay Meadows club house, San Mateo, Saturday evening, September 28.

Entire proceeds from these annual dances are being used for the aid of the Widows and Orphans fund. During past years, the policemen's ball has attracted large crowds to support this cause, and it is expected that this year's event will surpass all past records.

## Belvedere Boys Club Give Dance Saturday

Belvedere Boys club of Daly City today issued a cordial invitation to the public to enjoy a dance with them on Saturday evening at Little Italy hall, 6229-A Mission street.

Music will be furnished by the club's own orchestra. A good time has been planned for all who attend, and the admission price is very low, officials said.

"Come and help the club," members urged today. "You'll have a pleasant evening, and want to come again."

## Jeff Senior May Enter West Point Next Year

Possible appointment to West Point next year was the exciting prospect which opened up before Edward McIntosh, Jefferson Union high school senior, this week.

A telegram signed by U. S. Congressman John Anderson and addressed to Clive M. Saiz, Jefferson instructor, read as follows:

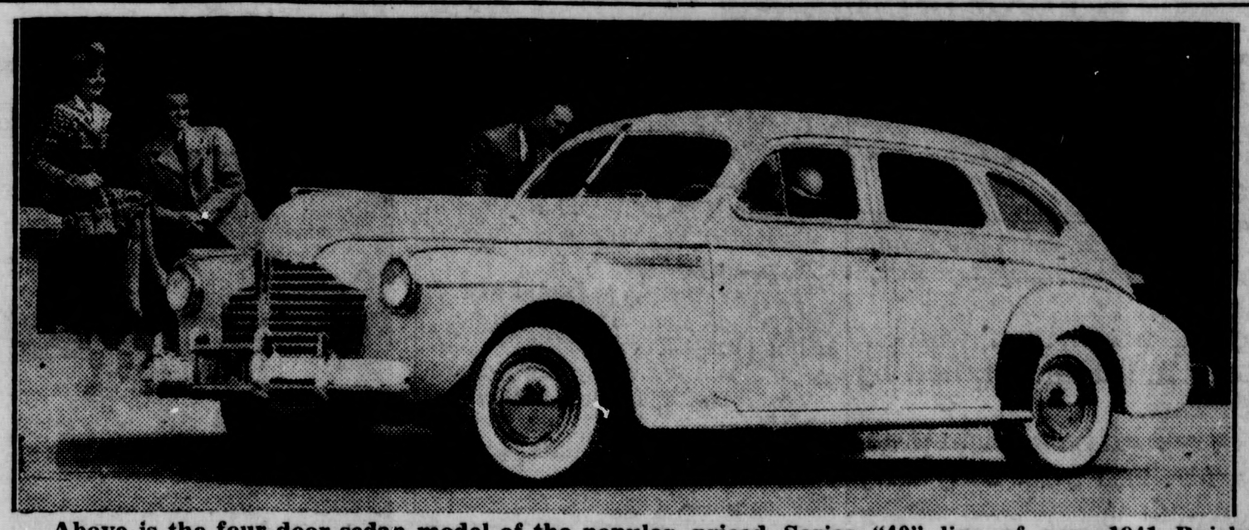
"Conducting competitive examination October 5th for designation candidates to West Point. If Edward McIntosh legal resident 8th district, will be pleased to have him compete. Am closing application list soon, please have Edward contact me personally by wire giving his legal residence, address, and stating if he prefers take examination San Francisco or San Jose."

McIntosh replied that he would wait until next year to apply for West Point, since he wishes to finish high school first. A member of the California Scholarship Federation, he will graduate from Jefferson in June.

Only sixteen years of age, he will have to wait until he reaches seventeen to be eligible to enter the famous military academy.

The son of Mr. and Mrs. Edward McIntosh, 279 Hillcrest drive, the Jefferson honor student has a brilliant family history of army membership behind him. His grandfather, John Seitz, a veteran of the Spanish American War, served for thirty years in the United States Army. His father served in the World War as a member of Machine Gun Company, 44th Infantry.

# NEW BUICK FOR 1941



**Above is the four-door sedan model of the popular priced Series "40" line of new 1941 Buicks, which have undergone complete transformation and now present a profile making a bold faired line from the front and clear down to the tail. Altogether there are 22 new models in the 1941 Buick line. Cars are now on display in the local Buick dealer's showroom, Belli Motor company, Daly City and Colma.**

# New Buicks Now On Display Here

New 1941 Buick motor cars embodying such advanced features as compound carburetion, new aerodynamic bodies and engines with increased horsepower, are being shown today in the showrooms of Belli Motor company, local Buick agency.

The new Buicks have been completely restyled, with an entire new line of bodies on the Series 40 Special, Series 60 Century and Series 90 Limited cars, and a new modernistic treatment of radiator grilles, hood and front end.

The new Buick line consists of 22 body types, not including the new Series 90 Limited custom built models, among which are eight sedan models, three six passenger sedanets, five business and sport coupes, four convertible models, and an estate wagon.

For '41—Finest We've Done!
NOW ON DISPLAY AT BUICK SHOWROOMS EVERYWHERE
More ROOM —from longer, broader bodies
More POWER —from stepped-up FIREBALL engines
More COMFORT —from softer, steadier ride
More VALUE —any way you measure it!

WITH this advertisement, Buick ushers in a brand-new automobile model year.

1940 production is history—recording the greatest manufacturing and selling season our company has ever known.

You may be sure we grimly realized we had to accomplish things in our new cars for 1941 that we could count on to *continue* our advance.

So we've taken our greatest all-time car and steadily and carefully brought it forward to *a perfection of action, ease, goodness* beyond anything ever offered under our name.

Every car in all five series of the whole new line deserves unused fresh-minted language.

Stylewise, their suave and dynamic beauty refreshes the jaded eye as would sight of a hydrant in the desert.

They move and function like young wild things. They're all grace and poise and eagerness. They bring to driving and handling a keener pleasure and a new thrill.

Go see these superb new cars at your dealer's and ask especially about the new micropoise-balanced FIREBALL engines—the 1941 furtherance of Buick's Dynaflash design and kingpin of all the features that make Buick the sensation of the new automobile year.

THE *FIREBALL** DOES IT!

Modern gasolines have high octane ratings to permit higher compressions without "ping." Note how this piston, which can be used only in valve-in-head engines, rolls the fuel charge into the shape of a flattened ball that centers around the new, smaller, racing-car type spark plug. Fired at its very heart, this more highly compressed fuel lets go with such full-forced, "ping-free" wallop that any gasoline of 75 octane rating (now available at standard-fuel prices) may be used in the 115-hp. engine. Any fuel of 80 octane rating serves in the 125- and 165-hp. engines.

*According to the Encyclopaedia Britannica, a super meteor which travels with a series of explosions like the shock waves of a great projectile is called a "FIREBALL."

## NATIONAL DEFENSE

Today, in several nations of the world, men, women, and children are being wantonly murdered—killed by bombs dropped from enemy aircraft.

Americans do not want that type of barbarism practiced here. More particularly, Mr. and Mrs. Daly City resident, you and I do not want that type of warfare—or any type of warfare—to ever take place in Daly City.

The responsibility to see that such a war does not come to our shores lies solely in our hands. It is up to this community—and every other community in the United States—to contribute its share of money and men to build adequate national defense.

Our entire program of defense must be approached **sanely** and **without hysteria.** The United States Congress has provided tax levies for military purposes. In addition to money, Daly City must furnish its share of men for the Service.

To assist in this effort, the Daly City Record will publish next week a patriotic Red, White, and Blue edition and handle in detail the opportunities now being offered recruits by the United States Army—salary, education, travel.

The Record most urgently recommends that unemployed single young men apply at once for enlistment. To employed single men, if provision can be made for them to come back to their jobs after a military training period, The Record suggests they, too, investigate opportunities now being offered in the Service. At present the Army will not accept married men.

In this national crisis the American people will do well to make several very firm resolutions:

1. To prepare quickly, systematically and efficiently to defend the Western hemisphere and to protect our American systems of free enterprise and personal liberty.
2. To refuse to send men over seas.
3. To refrain from mob hysteria here at home.
4. To discourage witch hunting, book burning, and other socially unacceptable conduct for emotional outlets.
5. To prove that American democracy is the best way of life by practicing cooperation with the Federal government in preparing national defense and otherwise to go about our normal happy mode of living.

## CAPTIVATING

**Beautiful Paulette Goddard is startled when she suddenly discovers that the castle she has inherited is peopled with ghosts, Zombies, bats, clunking skeletons and haunt-ridden dungeons, in "The Ghost Breakers," which opens tomorrow at the Daly City theatre, and which again co-stars her with Bob Hope.**

# Cub Rally Well Attended

Many parents and visitors were present at the Grace Nazarene church on Friday evening, when Cub Pack No. 141 held its monthly get-to-gether.

Willard Bock provided one of the high-lights of the evening when he showed scout and cub movies, and several reels of colored pictures of a summer vacation trip.

Scouts Bill Reardon and Jimmy Meidl were designated as den chiefs and presented with their insignia by Pack Committee Chairman Niel Edwards.

Cubs present were Lesley Bock, Bobby Donley, Keith Claussen, Jimmy Pedersen, Rodney Duffey, Herbert Fensin, Oscar Justi, Raymond Lagomarsino, Harry McCune and David Plier. Cub Bobby Donley came to the pack recently from a San Francisco unit.

# Eason Twins Win Highest Honors

More than two years of hard work brought their reward to Miss Dorothy and Hazel Eason when they recently graduated with the highest honors in their class from the Don Lux School of Cosmotology in San Francisco.

The record of the Eason twins, who are the daughters of Mr. and Mrs. John Eason, 924 Hanover street, is remarkable in many ways. Recent graduates of Jefferson Union high school, they were employed full time at Byrne's Radio store while going to school, attending their cosmotology courses only at night.

Having passed the state board examination, the Misses Eason hope to take an active part in beauty work in the near future. They have many friends in Daly City, where they have lived for many years.

## Mr. and Mrs. Paul Kerr Announce New Daughter

Once more The Daly City Record helps make its own headlines, as Mr. and Mrs. Paul Kerr, 126 Los Olivos avenue, announce the birth of a baby daughter, Friday, at a San Jose hospital.

The proud father is a linotype operator for The Record and has set scores of news stories about other Daly City babies. This is the first time, however, that Kerr has actually "been in the headlines" himself. The new baby is the Kerrs' first child.

# About Town

James Baird jr., Daly City, and Dolores F. Allen, San Francisco, were issued a marriage license in Reno, Saturday.

William F. Coyle, Daly City, and Agnes Henry, San Francisco, were issued a marriage license in Reno last Tuesday.

Mr. and Mrs. Dominic J. Gastavino, 407 Santa Barbara avenue, are the proud parents of a baby son who arrived, August 28, in a San Francisco hospital.

Harry Johnson, Daly City, and Stella Janakis, San Francisco, were married last Tuesday in Reno.

Mr. and Mrs. John Compani, Daly City, announce the birth of a son in San Mateo, September 1.

Mr. and Mrs. Walter Hurlbut, 173 San Diego avenue, recently enjoyed a scenic three-weeks vacation trip by motor to the home of Mrs. Hurlbut's mother, Mrs. Josie Kables, in Seaside, Oregon. Making the trip North by way of the beautiful Coast route, they returned by the inland highway, stopping for two days in Klamath Falls to visit Mrs. Hurlbut's brother. While at Seaside, the group enjoyed a pleasant week-end in Portland, visiting Mrs. Hurlbut's uncle and brother, and some old friends, Mr. and Mrs. Henry Strickland, former residents of Daly City.

Mr. and Mrs. Robert Wall and children, Audrey and Bobby, 599 Evergreen avenue, and Miss May Murphy, recently spent a pleasant week-end vacation at Big Basin, Santa Cruz.

## You Are Invited

**Occasionally a report reaches The Record that some local resident feels slighted because she entertained at a party or had guests and the social item was left out of the paper.**

**The editors regret such a situation, yet it is impossible for them to contact 3600 Daly City and Colma homes every week—we do contact several hundred.**

**If you have a party, entertain guests, or participate in a local social affair, will you please write The Record a note about it, or better telephone RAndolph 3215. That would make the editors happy. To see your social event in a news story would make you happy, too.**

# "Ghost Breakers" To Thrill D. C. Theatre Audiences

Production of "The Ghost Breakers," the mystery comedy which opens tomorrow at the Daly City theatre, was made in an atmosphere as bizarre as any picture produced at the Paramount studio since "The Cat and the Canary." Bob Hope and Paulette Goddard are the co-stars of both pictures. They are becoming so used to falling over skeletons, witnessing murders and hearing piercing screams, that they raise goose pimples only when they get cold.

The principal action of the picture occurs in the eerie atmosphere of a supposedly haunted castle on an island off Cuba. The setting, occupying the entire studio stage, was built with all the mysterious contraptions that would have delighted Houdini. Alone, it was awe inspiring. Lighted and ready for action, it was hardly less so. At times only faces were visible, while enormous shadows flitted about the cobweb and dust laden walls.

Briefly, the story revolves around the inheritance of an old and supposedly haunted castle on an island off Cuba by Paulette Goddard, an American girl. Bob Hope, a radio gossip commentator, gets himself in a mess with a gangster. Visiting the gangster's hotel he mistakenly believes he kills a member of the gang and hides in a trunk in Paulette's room. The trunk is soon delivered to her stateroom on the boat sailing for Cuba and he is discovered. He decides to accompany her on her adventure to the castle, from which she has repeatedly been warned—as a ghost breaker, a specialist in ridding haunted houses of ghosts.

Companion feature will be "Private Affairs," starring Nancy Kelly and Roland Young.

## Bank of America To Finance Airplanes

Because a citizen's ability to fly has become a potent factor of strength in national defense, Bank of America has inaugurated a plan to finance the individual purchase of airplanes on much the same basis as automobiles, according to announcement by L. M. Giannini, president of the bank.

Purchase of virtually all the smaller standard types of aircraft, Mr. Giannini says, now may be financed on the instalment plan through any of the 495 branches of Bank of America throughout California, and with insurance protection for both purchaser and the bank.

"This arrangement will be of effective aid in many directions," Giannini declares. "It should attract many more students to the various flying schools, since it is now made possible for a great many more individuals to acquire their own planes. This in turn should be a material aid in the growth of the smaller plane industry, which is not feeling the benefits of the national defense program to the same extent as the builders of planes for armed forces.

"But the chief aid will be in encouraging the citizens to take to the air, to become familiar with airplane controls, contours of our country, weather conditions, to develop his self-reliance, his usefulness to his country in times of emergency."

## Jerry Hull Saw Stars —But Not Lucky Ones

Jerry Hull, San Mateo recreation leader and former WPA director of Daly City, is under an unlucky star this month.

Down at the Coyote Point rifle range the other day, Jerry tripped backwards over a stump, fell on his arm, and broke it in eight places. He is in the hospital for an indefinite stay.

And just to top it off, Jerry is "enjoying" his first attack of gout in four years.

## Local Man Enters Horseshoe Tourney

Tossing beautiful horseshoes in front of packed grandstands on Treasure Island, Curly Stadelman represented the Daly City WPA Recreation department in the Northern California Horseshoe Pitchers association championship on Sunday.

Eliminated in the afternoon, Curly made a score of 221 ringers and 53 doubles in 7 games. He was defeated by one point by Bill Gregoiri, who was formerly a Daly City player.

In the two upsets in the final outcome, Forcade of Santa Cruz, for two years the Northern California champ, was defeated by Pipe of Salinas, while Miss Coker of Mission club, the women's champion, was taken for a ride by Mrs. Ferrin of Frisco.

An interesting side-light of the league play was a match between two 12-year-old boys, one from Salinas and one from San Francisco. The Salinas youth won, to the applause of hundreds of spectators watching the game. Score: 50-47; 18 and 17 ringers.

Nearly 200 players participated in the league play, which lasted from 10:30 a. m. to 7:30 p. m.

## Colma Merchants Win Tight Game

Colma Merchants and West Portal Merchants played a tight game Sunday on the Jefferson diamond. Score at the end of the game: 5-4 in favor of Colma.

Two identical double plays were made during the game. Both were by Corrigan to Burn, Burn to Cayssials.

In the seventh inning, Corrigan laid out a home run to tie the score 4-4.

With the score still tied, the tussle went into the tenth inning, when Guilia on third was brought in by a sacrifice hit by Massoni to win the game for Colma.

## D. C. Juniors Defeat Amazons

With Walter Christian on the mound, allowing only four hits and making 12 strike-outs, Daly City Juniors Beat Amazon Boys club in a nine-inning game on the Jefferson diamond, Sunday. Score: 7-0.

A beautiful double play was executed by Valente to Razzari, Razzari to Pezzola.

Amazon Boys club have played the Juniors three times before. Twice they were defeated, and the third time was a tie.

James McKinnon was the base umpire, Freddie Lucia for balls and strikes. Grounds were supervised by the WPA Recreation department.

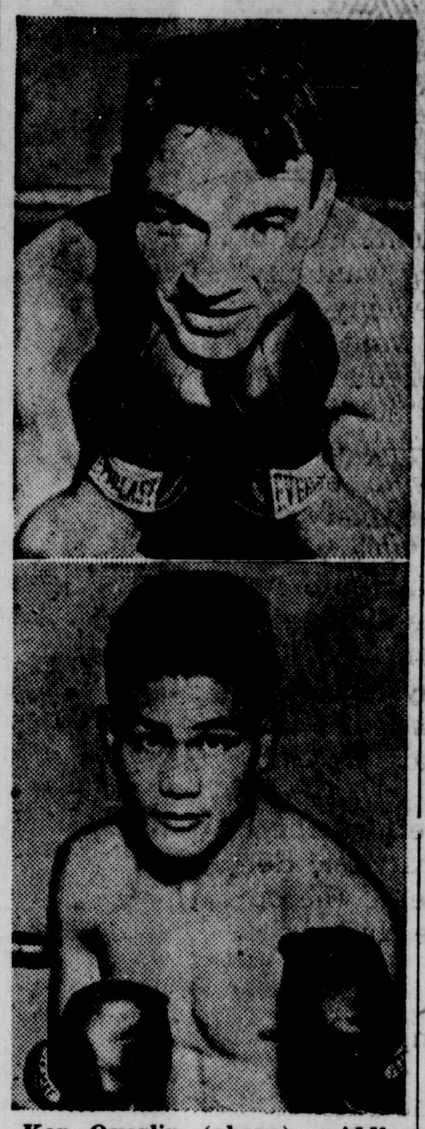
## Middleweight Bout



Ken Overlin (above), middleweight champion of Norfolk, Virginia, who will defend his title in a championship boxing match with Ceferino Garcia, the Filipino "bolo boy" at Madison Square Garden, New York, tomorrow. Overlin won the crown from Garcia on May 23.

## Olivet Wins Game 6 to 4

One big inning was not enough for Metal-Thermit last Wednesday night in Burlingame softball league play as they bowed to Olivet, 6-4.

Olivet took the lead with a run in the first inning, repeated in the third, and added two more in the fourth. Metal-Thermit tied it up in the fifth with their four-run splurge, but two more Olivet runs in the same inning ruined their hopes.

The losers were able to get but three hits off the offerings of Shelsta.

## Local Dentist On Football Board

Dr. Percy Sewell, local dentist, was re-elected to the California State Football board last Saturday night in Los Angeles.

His election at this year's convention of the board marks the ninth consecutive term of office for Dr. Sewell. For the past eight years he has been a member of the group, which controls all the soccer football in the State of California.

Dr. Sewell returned from his week's stay in Los Angeles last Monday to resume his dental practice at his office at 6338 Mission street, Daly City.

## Einar Hanson To Enter County Golf Championship

Einar Hanson, stellar Daly City golfer, will leave his home at 221 Hillcrest drive next Saturday to add to his brilliant golfing records by entering San Mateo county's annual golf championship.

Hanson's laurels are still green from the National public links tournament at Detroit where he was one of the last 32 to drop out of a field of 2600. He was also a member of the winning San Francisco delegation of four who won the Harding team cup.

But the local golfer will meet plenty of competition on the Coyote Point course.

Angelo Bonino, the man who won the San Mateo county golf championship last year, is in charge of the event this year and already reports forty have signed up for the tournament.

No longer a member of the simon pures, Bonino has no chance to defend his title, leaving the race wide open.

Jim Molinari, the garrulous San Francisco cop who had the wrong end of an 8-7 score in the final with Bonino last year, was expected to be down and will be listed among the favorites.

Also definitely slated to appear are Bill Fritz of San Francisco, Northern California champ; Bill Higgins, San Francisco city champ; Al Gilleran, runner-up for the San Francisco title; and Phil Gordon, three-time Oakland city champ.

Those are the out-of-town boys scheduled to show. Among the local links luminaries will be Johnny Mazza, Coyote Point club champion; Walter Gilliam jr., runner-up for the state championship last year and rated one of California's most promising young golfers; and a star-studded field of other golfers.

Qualifying starts Saturday, September 14, and continues through the following Wednesday with match play to start Sunday, September 22.

## J. F. Castelan Invents Bomb Protection System

Thanking him for a recent invention, a letter was received this week by Julius F. Castelan, 862 Bellevue avenue, from the National Inventors Council in the Department of Commerce building in Washington, D. C.

Turning his attention to engineering problems arising in connection with the United States national defense program, Castelan has recently invented a unique bomb protection system. Blueprints have been sent to Washington, D. C., for consideration by governmental authorities.

"We wish to thank you for the patriotic spirit which has prompted you to contribute this suggestion for national defense, which is deeply appreciated," the letter stated.

The plans are now receiving the full consideration of experts in the field, the national council continued.

Castelan estimates that his protective system will stop a 1000-pound bomb dropping 4000 feet with an initial velocity of 200 miles an hour. An effective protection of this kind would mean much to a nation in event of war, he explained.

## Census Gain—

Preliminary 1940 census figures show San Mateo county leaped from fifteenth to twelfth in the state in population during the past 10 years with a gain of 41 per cent, almost twice as much as the state average gain.

San Mateo county's 1940 census count was 109, 298, as compared with 77,405 in 1930. The percentage gain was particularly noteworthy for the average population gain throughout the state was only 21 per cent.

## Local Entries In Fiesta Parade

Entries in the San Mateo County Fiesta parade, to be held Friday afternoon, September 20, are coming in from every kind of fraternal, club and civic organization, according to W. L. Musgrave, parade chairman of the San Mateo Junior Chamber of Commerce.

Already received from Daly City is the application of the Daly City Juvenile Drill team of twenty-five members, with Miss Rose as captain. The local youngsters have won many cups and medals at various events throughout the Bay area the past year and are expected to be a prize attraction at the Fiesta.

It is also known that the San Mateo County Horsemen's association will enter the line of march, while various other local organizations are making tentative plans for entry in the event.

# THIS WEEK ...
## At Jefferson Union High School

### Classes

The Totem Pole staff came out with their first edition, Thursday. The paper was packed full of school news and summer activity. The school paper is under the supervision of Clive Saiz, whose able instruction and guidance tends to make the paper an excellent one.

The Totem Pole has chosen its staff for the coming semester and members include: Ralph Matteucci, editor; Norma Barker, associated editor; June Core, exchange; Stanley Downall, circulation man-editor; Eugenia Filios, girls' sports editor; Eugene Filios, girls' sports editor; Ann Plate, feature editor, and the reporters are Lorraine Anderson, Betty Coen, Ray Fellman.

---

Friday the freshman and sophomore classes definitely decided upon their officers for the coming term, with Jack Andriola and Gene Pidgeon heading freshman and sophomore classes respectively.

Freshman vice-president is Andrew Parodi, secretary-treasurer Gloria Nopper, and the sophomore vice-president will be Katherine Lopresti, with Bill Freeman secretary.

---

**CSF**

Wednesday, September 4, at 3 p. m. the C. S. F. meeting was called to order by president Howard Verrier. A report was given on the pay assembly by Edward McIntosh. It was decided to have a moving picture shown.

The initiation party was discussed and postponed until after the CSF convention. Publicity for the convention was discussed and a committee will be chosen by the secretary.

Eugene McClain was chosen as chairman of the badge committee. The badges are for the members to wear on CSF day at the Fair.

The meeting was adjourned at 3:30 p. m.

### Music

"Sound your 'A,' Shinazy. Tom, speed up that chorus a little."

That was what I heard as I popped my head in the music room, Friday. Everything was in a hustle and bustle, with sheet music here, and the strains of "I'll Never Smile Again" over there. Well, finally I found out what all the mad house was about.

Yes Sir! Those famous "Indians of Rhythm" are getting in practice for their first appearance, some time around the week of the 15th. They will play for the student body during one of the assemblies.

Lembi stated that his work on the new violin section has been temporarily haulted due to the fact of illness of some of the members. Another very important player, Roy DiVencenzi, string bass, has been recuperating from an appendectomy.

The cowboy band, as yet, isn't under way. Lembi put in an appeal for some guitar players and cowboy vocalists. "Anyone that can sing at all is welcomed," the leader stated.

Tryouts for membership to the "Indians of Rhythm" are still being held and anyone interested can get in touch with Lembi, or his band. The old members still with Lembi have been cut down to 8 out of 18. They include: Ralph Shinazy, 1st trumpet; Tom Beeson, second trumpet; Don Thomason, second saxophone; Angelo Ditty, third saxophone; Eugene McClain, piano; Gloria Tooth, piano; Roy Di Vencenzi, bass; Larry Whitely, drum.

### Sports

Old man weather can't dim those Jefferson Indians. No! sir! Friday Mr. Rain found the boys out in a good tough skirmish, keeping that old gridiron hot with slashing onslaughts.

Both of the coaches were right there on the field, calling the boys on their errors and complimenting them on their good points. There is one thing certain and that is that every man is in there punching and striving for all he is worth.

The boys have set up a goal to reach this semester, and that is to bring glory to their old alma mater and recognition to their team.

**G. P. A. L.**

The girls have put their powder puffs away long enough to show the boys that they also have some good material for sports this semester. Miss Young, physical education instructor, stated Friday that swimming looked about the best. "We are hoping to be able to develop some real talent this semester," stated Miss Young. "All together, about 40 girls have turned out and probably more will sign up before the semester is over."

Softball enthusiasts have been practicing all last week and games will start this week or next. As for archery, the old arrows have been hitting their mark down on the archery field with about 20 practicing.

### Campus Fashions

Say! Didja know—

That—the new autumn colors are: Indian summer, night flight blue, huckleberry, dark autumn brown, forest green and scarecrow gray. They are quite popular with matching accessories or contrasting ones.

That—the sport coats are going to come out with box shoulders and in bright colors and plaid. Right now the popular ensemble for school wear seems to be, a jacket of robin red, a soft gray skirt; red socks; white shoes and a "baseball" hat of matching red. This makes the smartest collegiate outfit for school.

That—skirts will grow shorter and socks will grow longer. The newest style for school is a very chic and stunning outfit, consisting of a swing skirt, well-tailored and just above the knees; a little box jacket, and a tailored shirt. Now don't be alarmed about what "grandmother is apt to think about our younger generation," because this outfit is never worn without bareknee length socks. This knee-length stocking is the newest in fashions, and it is predicted that it will become quite the thing for smart campus lassies.

This week's bouquet goes to a very fashionable lass, dressed in a darling outfit of dusk lavender and white. The girl, Miss Betty Morris, the costume, a dainty white shark skin skirt with a long sleeved dusk lavender sweater, matching socks and white shoes. Nestled in her brown curls was a turban in the same color as her sweater.

### Student Government

The regular meeting of the executive board was called to order Tuesday at 8 a. m. by President Rigler. Secretary Barbara Foreman read the minutes and they were approved by the board.

Under old business, John Razzari brought up putting the name of the outstanding girl athlete on the athletic cup. It was suggested that they get in touch with the girl athletic manager and have her attend to the matter.

Bob Capps presented a unique idea under new business. He suggested having a color week. A week is to be decided upon by the committee when every one in school is to wear something in the school colors. Rigler suggested the week of October 7. The board voted upon the matter and it was approved.

Judge Poddig put up for the approval of the board his court members. Clerk will be George Wallace, and the jury will consist of Richard Harmon, Melba Frei, and Edward McIntosh. The court committee was voted upon and approved by the board.

**ASSEMBLY**

The outstanding assembly of last week was a very excellent talk on the tactics of applying for a job. The speaker was Mrs. D. H. Pingrey, employment director at the White House. Mrs. Pingrey stressed perseverance in seeking a job.

# *Weddings -:- Parties Social Items*

### Friends Fete Miss Beatrice Bordson

Miss Beatrice Bordson, Jefferson Union high school sophomore, received many "happy birthday" wishes Saturday evening, when she was guest of honor at a party given by her mother, Mrs. Olga Bordson, 614 Templeton avenue.

An attractive birthday cake with candles, and pink and blue decorations added festive touches to the serving of the refreshments. Games and the opening of gifts made the evening an exciting one.

Guests included Miss Carmela Valletta, Bernice Andresen, Mary Lou Becker, Rita Alexandro, Helen Eldridge and Eileen Johnson.

## *Announce Bobbie Bruce Engagement*

A "marine from the Argentine" is the exciting fiance who has stolen Miss Bobbie Bruce's heart away.

The thrilling news of their daughter's engagement to Carlos Pederson of Buenos Aires was revealed this week by Mr. and Mrs. Robert Bruce, 293 Los Olivos avenue.

A champion drum majorette and official mascot of the Daly City Band, Miss Bruce has danced and marched her way into the hearts of hundreds of parade spectators.

Only seventeen years of age, Miss Bruce has already made a name for herself throughout the State for her expert baton twirling. A former student of Woodrow Wilson school, she has recently been attending school in San Francisco.

Her fiance is at present a marine with the Republica Argentina. Son of an exporter and importer in Buenos Aires, he expects to be associated in business with his father following his discharge from the navy in January.

The young couple plan to be married here the first of the year. They will make their home in far-off Buenos Aires.

## Miss Muriel Lewis Takes Nuptial Vows

Before an improvised altar, decorated with shell pink gladiolus and white asters, Miss Muriel Lewis and Robert Stratton exchanged marriage vows early Friday evening.

The 8:30 o'clock ceremony was read by Dr. Kennedy at the Alhambra home of the groom's parents, Mr. and Mrs. Robert Stratton. The bride's parents, Mr. and Mrs. Merit Lewis, her brother and sister Merit jr. and Patricia, motored south for the wedding.

The bride, given in marriage by her father, wore a handsome bridal dress of white slipper satin, designed with a tight-fitting bodice and full skirt. Nestled in her chestnut brown hair, were several gardenias, and her wedding bouquet was a spray of gardenias and white tuberoses.

Mrs. Merrit Lewis, mother of the bride, was beautifully attired in an eggshell lace evening dress. On her left shoulder, she wore a corsage of mixed flowers.

After a buffet supper the bride and groom quietly slipped away for a honeymoon. Upon returning from their trip the newlyweds intend to make their home at 101 Westmount drive, Alhambra.

The bridegroom, a graduate of the University of California, is affiliated with General Petroleum. The bride is a graduate of Jefferson Union high school, where she received the Bausch and Lomb science medal for her knowledge, grades, and progress in her scientific course.

### La Fiesta Club Plans Dinner Party

Members of La Fiesta club met last week at the home of Mrs. Al Kennedy in Redwood City to make plans for a dinner party at Monaco's in San Francisco.

A dainty supper was served to the guests, who included Mrs. Tess Sullivan, Mrs. Elsie Thomson, Mrs. Lorraine Wall, Mrs. Sylvia Fischer, Mrs. Eleanor McDonald, Mrs. Christine Hume, Miss Irene Bianchi, Mrs. Silva, Bob Wall, Roy Thomson and Al Kennedy.

### Five Birthdays Celebrated At Party

Five birthdays were celebrated at a party Sunday afternoon from 2 to 8 o'clock at the home of Mr. and Mrs. Nicklous Meeth, 368 Westlake avenue.

Scones and tea were served the guests at the affair, and games made the occasion a pleasant one. Each guest brought a "best recipe" with them to add to a shower book of recipes.

Receiving congratulations upon their birthdays were Mrs. Meeth and her granddaughter, Miss Pauline Meeth, Mountain View; Mrs. M. Kickbush, Burlingame; Miss Edith Lowe, San Mateo; Miss Leona Bade, Burlingame.

Other guests included Miss Bessie Walker, Mr. MacIver, Miss Lillian Walker, Mrs. C. Roof, Mrs. Hoover, Mrs. D. M. Nichols, all of San Francisco.

Mr. and Mrs. Paul Meeth and M. Dixon, Mountain View. Mrs. J. C. Bade, Mr. and Mrs. Leon Bade, Arnold Kickbush and Mr. and Mrs. Clarence Finlof, Burlingame.

## Auxiliary Hears Report On State Enrollment Increase

American Legion auxiliary enrollment in the State of California has leaped to 26,500 members, according to a report submitted to Daly City Unit No. 410, American Legion Auxiliary, Thursday evening, at their regular meeting in Legion hall.

An official report by the recent delegates to the State convention in San Diego revealed this and many other interesting facts. The report was read by Mrs. Margaret Kenney. Other delegates included Mrs. Marcie Trier and Mrs. Alice Reilly.

Mrs. Vivian Pahlka presided at the meeting, and refreshments were in charge of the hospitality chairman, Mrs. Jerry Glanville.

More than 2,000 delegates and visitors attended the huge San Diego conclave, Mrs. Kenney said. Business sessions, discussions of current events and election and installation of officers occupied the majority of the time.

Advocating a strong national defense, Mrs. Florence Chess, San Mateo, national executive committeewoman, and Mrs. Ruth Mathebat, Alameda, national vice-president of the Western division, both urged immediate precautions for America's safety.

Elected to head the Department of California for the coming year were Mrs. Mary Ann Holt, San Francisco, president; Mrs. Lea Cloney, Eureka, vice-president; and Mrs. Ethel M. Flynn, San Francisco, secretary-treasurer.

One of the highlights of the convention to local delegates was the installation of Mrs. Alice Reilly, past president of Daly City Unit No. 410, into her new office of vice-president of the Twenty-Sixth district. Mrs. Reilly is also past president, La Petite Chapeau, Eight and Forty of San Mateo county.

Also installed into office at the close of the convention was Mrs. Helen Madden, San Bruno, newly-elected president of the Twenty-sixth district. Mrs. Florence Chess was the installing officer.

Delegates at large, elected to attend the National American Legion auxiliary conference in Boston the latter part of this month, include Mrs. Muriel Wright, retiring State president; Mrs. Bessie Cooper, San Diego; and Mrs. Mildred Bevil, Sacramento.

## S. F. WILL BE SCENE OF EASTERN STAR TRIENNIAL ASSEMBLY

Like other chapters throughout the State, Crocker Chapter No. 382, O. E. S., is this week busily completing plans for participation in the twenty-third triennial assembly of the General Grand Chapter in San Francisco next week.

The state-wide conference will open at the civic auditorium in San Francisco, Saturday evening. The opening will be an informal one, featuring an escort, pageant and drills. The program begins at 8 p. m.

Sunday evening at 7:45 p. m. religious services will be conducted at the First Congregational Methodist church in San Francisco.

On Monday at 10 a. m. the formal opening of the grand chapter will be held. Business sessions will continue all day Monday and Tuesday.

The local Crocker chapter will shorten their usual Monday evening session at Masonic hall to a very brief meeting, starting at 7:30 p. m., so that members may attend the first business session of the Grand Chapter in San Francisco.

Next Wednesday, officers will be elected for the Grand Chapter at 10 a. m. in the civic auditorium. At 9 p. m. the installation will be conducted.

Thursday, September 19, will be the climax of the conclave, with several hundred delegates and members attending Eastern Star Day on Treasure Island.

### Legion Auxiliary To Hold Public Whist

Daly City Unit No. 410, American Legion auxiliary will hold a public whist party next Wednesday evening, September 18, at Legion hall, with Mrs. Ann Welch as chairman. Playing begins at 8:30 p. m., and there will be a cash first prize in addition to many other attractive awards.

Preceding the whist party, the executive board will hold a short business meeting, scheduled for 7:30 p. m. All members are urged to attend.

## Crocker Chapter Will Be Hostess To Grand Electa

Crocker Chapter No. 382, O. E. S., will be hostess to Rose Muriel Friedrichs, Grand Electa of the Grand Chapter of the State of California, Thursday evening.

The official reception is expected to be one of the most beautiful social events to be held in Masonic hall this year. Special music and a special program have been planned in detail by General Chairman Maude Hanselman, P. M.

The affair will be open only to Eastern Star members and their friends. Time is set for 8:30 p. m.

The refreshment committee includes Clara Lambertson, Marie Fischer, Dorothy Gebhardt, W. M.; Jane Jones, Marie H. Scott, Helen Whitehead, P. M.; Hilda Robertson, Matilda Heeringa, A. M.; Mary Jacques and Peggy Watters.

## Bethel 26 Mothers To Sponsor Whist

Mothers Club of Bethel No. 26, Order of Job's Daughters, will sponsor a benefit whist party Tuesday evening, September 17, it was announced today.

Funds for the event will be used to send the Bethel's drill team to the national convention in San Diego in November.

Mrs. Florence Mooney, chairman, announces that there will be a generous cash first prize and a door prize. Other awards will be numerous and varied.

"We cordially invite the public to support this whist," Mrs. Mooney said today. "The committee is working very hard and we can assure everyone a pleasant evening."

### Stardusters Honor Miss Betty Brewer

Presenting an attractive bracelet inscribed with the word "Stardusters" was the way in which members of the Stardusters club chose to express their affection for Miss Betty Brewer, Jefferson Union high school student and sister member, at a surprise party on Thursday evening.

The gift was presented as the highlight of the party, staged at Miss Brewer's home, 139 Evergreen avenue. Games and refreshments occupied the rest of the evening.

Present were Misses Violet Bullo, Dina Delia, Betty Morris, Tillie Castro, Adele Menjou, Mary Picchi and Lillian Giannecchini.

### Veteran Firemen Enjoy Spaghetti Dinner

Spaghetti "a la Valenti" was one of the high-lights of the Veteran Firemen's association meeting on Friday night at 188 Santa Barbara avenue. Prepared by Comrade Past President P. Valenti, the surprise concoction was thoroughly enjoyed.

Comrade President Tony Gaggero called the meeting to order at 8 p. m. Comrade Chaplain H. W. A. Rickmann, excused because of illness, was reported convalescing. Comrade Marshal Kester was back at his post in the meeting.

Comrade Past President Andrew Vireno was welcomed back. Comrade Secretary Edward J. Ford, absent on a vacation, was wished a pleasant time by his comrades.

Comrade Past President Julius Twesten was lucky man of the evening. Comrade Lucy entertained the members with a story.

Following the usual business, the buffet lunch was served by Past President Valenti, with the assistance of Comrade Chef J. Hesslein.

## Colma PTA Holds First Fall Meeting

Colma Parent-Teachers association had a busy afternoon last Tuesday as they met for the first time this fall to organize for the coming year. Mrs. James Burgard, president, called the meeting to order.

Plans were completed for a public whist to be held on Tuesday, September 17, at the Jefferson annex. There will be cash first prize and other attractive awards. Chairmen include Mrs. Louise Zannetti, Mrs. Ed DeMattei and Mrs. Ray Lagomarsino.

Mrs. A. Hollingsworth was announced the grand winner of a prize offered by the president to the chairman of the largest whist party held during the summer vacation.

Mrs. P. Willbank was appointed delegate to the district meeting.

Included in the budget adopted by the unit was a life membership which will be presented at the February meeting.

Mrs. Burgard announced that she wished to try for standard for the unit, and that consequently there would be no more drawings at the monthly whist parties.

Main item of business adoption of the program for the coming year. with the sub-theme "Health-Safety-Recreation". The outline of the program submitted by Mrs. P. Willbank, is as follows:

September: acquaintance meeting; Mrs. Perkins of San Mateo County Fiesta board, speaker.

October: safety for our children; Mrs. A. Hollingsworth, safety chairman of seventeenth district, speaker.

November: unit's birthday; pot-luck lunch at R. S. Thornton school at 12 noon. Guests of honor: Mrs. George Bruns, president of seventeenth district; Mrs. Stanger, Mrs. Holder and Mrs. Bartlett, organizers of Colma unit. Special invitation extended to charter members.

December: Christmas party; children's program, glee club under Miss M. Mosconi.

January: night meeting, pot-luck supper at 6 p. m. Speaker from district on "Recreation." Guests of honor: R. L. Crane, Miss M. Traynor and Mrs. H. Colwell.

February: Founders day, candle-lighting ceremony. Presentation of life-membership. Guest of honor: Mrs. Eder, second vice-president, seventeenth district. Invitation to charter members.

March: Student welfare; panel discussion by Jefferson Union high school students under direction of Principal James Ferguson.

April: loyalty and justice; installation of officers, Mrs. Foley, first vice-president of district, officiating.

May: health; speaker, Mrs. Hughlin.

June: closing meeting, R. S. Thornton school. Convention reports.

Upon adjournment of the business session following adoption of the program, members were served refreshments under the direction of Mrs. McCandish.

## Woodrow Wilson PTA Holds First Meeting

A splendid welcome awaits new mothers at the first regular meeting of the Woodrow Wilson PTA Tuesday afternoon, officials of the unit announced today.

The meeting will convene at 2 p. m. at the Woodrow Wilson school. Slated for consideration are the budget and program for the coming year. New chairmen will also be appointed.

"All old members are urged to attend this important first meeting," said Mrs. Catherine Foreman, president. "All new mothers are invited to join our group and share a pleasant year with us. We have many valuable activities planned for this winter, which will be of especial interest to mothers of young children."

Tomorrow evening, the Woodrow Wilson PTA will conduct its regular monthly whist party at 176 Los Banos avenue. Playing begins at 8:30 p. m. and attractive prizes will be awarded the winners. The public is invited.

The executive board of the unit met Thursday at the home of the president, Mrs. Catherine Foreman, 35 Woodrow street, to complete plans for the first general meeting.

## High School PTA Plans New Year

Jefferson Union High School PTA will inaugurate active plans for the coming year at their first regular meeting of the term, scheduled for 2 p. m. next Wednesday, September 18, in the high school auditorium.

The State theme for the year is "Growth and Understanding as Parents and Citizens." The unit theme is "Building Future Citizens."

Both will be considered in the general program for the year which will be presented to the membership for approval Wednesday. The budget will also be presented to the unit for adoption.

All members are cordially invited to attend the meeting and new mothers particularly will be welcome. Refreshments will be served following the meeting.

The executive board of the unit gathered last Wednesday afternoon at the home of Mrs. Mildred Seiler, 663 Evergreen avenue, to discuss the budget and program.

Present were Mrs. Seiler, Mrs. Allene Lehigh, Mrs. James Ferguson, Mrs. Georgia Busch, Mrs. R. L. Crane, Mrs. William Smith, Mrs. Lillian Cavagnaro, Mrs. Martha Linden, Mrs. Lillian Thomey, Mrs. Dorothy Remington, Mrs. Grace Hill, Mrs. Tina Hollingsworth, Mrs. Remi Sanders and Mrs. Anne Eason.

## Pershing PTA Hears R. L. Crane

Superintendent of Schools R. L. Crane was the distinguished guest who wished General Pershing PTA a happy and profitable year at the unit's first meeting last Tuesday afternoon.

The initial meeting of the fall semester was well attended, with several new mothers present. President Virginia Davidson presided.

The new budget was ratified and the program for the year read and approved. Friendly greetings were extended to two well-known visitors. Mrs. George Woodside, publicity book chairman, who lives in Redwood City now, and Mrs. Edith Frazier, Oakland, a former financial secretary of the unit two years ago, were both in attendance.

The meeting's theme, "Health in the Home and in the Community," were stressed by Mrs. Anne Eason, who read suitable features from the California Parent Teacher association magazine. Mrs. Caroline Conroy contributed some verses to the program. Refreshments were in charge of Mrs. Getha Mehjia.

The unit's sewing group will not meet this evening, but it is expected that weekly sewing activities will soon be resumed.

Several officers of General Pershing PTA will attend the district School of Instruction in Burlingame one week from Friday, where they will receive training in the various duties of efficient executive administration. They will include Mrs. Mildred Rasor, Mrs. Caroline Conroy, Mrs. Ilda Marquis and Mrs. Virginia Davidson.

## Mothers Club To Meet Friday

Members of the Mothers club of Our Lady of Perpetual Help school will meet at 8 p. m. Friday at the church. All mothers interested in the school are urged to attend. This is the second meeting of the fall term.

All members are cordially invited to attend the club's sewing circle, which meets each Wednesday at 10:30 a. m. at the home of the president, Mrs. Sophie Klingler, 601 Hanover street.

Mrs. Josephine Reardon will be chairman of the whist party which will be given for the benefit of the club, September 27.
